California Timber Frame Homes - Blue Ox Timber Frames

Timber Frames are built with massive timbers and a dizzying array of intricate, hand-pegged, mortise-and-tenon joinery. Creative surface textures: planed smooth with chamfered edges, hand hewn, Weatheraged, distressed, or any combination desired. The stunning frame, a descendant of centuries-old methods, is then married to a high-tech, extremely tight and energy efficient blanket of structural insulated panels.
