This guide is for the vast majority of picture-takers who want to ensure they can easily find, share, and keep safe those valuable photographic memories. We have attempted to keep it simple, affordable and achievable. Most readers will be able to get started using existing software tools on their home computers. We emphasise that managing an image collection actually starts even before you press the shutter button. We embrace both digital backup and the printed image as valid ' storage media ' . This is not a learned treatise on archiving, workflow enhancement

your potential in business, in sports, in your relationships, as well as your overall life. Do you want to know what it is?" In the crowd, Jason leaned forward, laser focused. Kicked off his basketball team after a season-ending fight, his only chance to play ball again was to sell enough books door-to-door over the summer to get back on the team. He never needed wisdom like he needed it now. But little did he know that the answer he was seeking was about to change his life forever... Pound The Stone is the intense and inspiring story of a young man's journey through the obstacles, defeats, and eventual victories that come while developing grit on the path to mastery. Told in the same engaging fable style as Chop Wood Carry Water, this is a deeper dive into the timeless principles that guide and

photographs of everything from fancy and comfortable trailers designed for glamping (glamorous camping), to trailers handed down through families across generations, and even entrepreneurs who have transformed their trailers into vending booths. Paul Lacitinola enjoys everything about vintage camper trailers, including rescuing, restoring, and rallying. In 2011, he began publishing the first U.S.-based magazine for collectors, restorers, and admirers of American-made camper trailers, Vintage Camper Trailers, which now has thousands of subscribers in more than a dozen different countries. He lives in Elverta, California.
