Glaciers and Glaciation is the classic textbook for all students of glaciation. Stimulating and accessible, it has established a reputation as a comprehensive and essential resource. In this new edition, the text, references and illustrations have been thoroughly updated to give today's reader an up-to-the minute overview of the nature, origin and behaviour of glaciers and the geological and geomorphological evidence for their past history on earth. The first part of the book investigates the processes involved in forming glacier ice, the nature of glacier-climate relationships, the mechanisms of glacier flow and the interactions of glaciers with other natural systems such as rivers, lakes and oceans. In the second part, the emphasis moves to landforms and sediment, the interpretation of the earth's glacial legacy and the reconstruction of glacial depositional environments and palaeoglaciology.

Build essential skills while having fun with Home Workbooks! Now updated with fun, colorful pages and engaging art, each book measures 7" x 9.25" and is filled with 64 pages of age-appropriate activities, puzzles, and games. These teacher-approved books are perfect for home, school, summer breaks, and road trips! Skills covered include number and number word recognition, counting, fine motor, and more! An incentive chart and 140 full-color stickers are also included to help parents or teachers track student progress. Home Workbooks are available for prekindergarten through grade 3 students, and feature titles in a wide variety of skill areas to suit any need.

Harold Robbins' very first novel is also one of his most powerful. Never Love a Stranger tells the gritty and passionate tale of Francis "Frankie" Kane, from his meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life-whether or not they can be purchased. First published in 1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. Never Love a Stranger takes an unflinching look at a New York that's long gone by-exposing life during and after the Great Depression, when the syndicate ruled the city without mercy.

Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love.

Death in the mountains. An estranged son. A practitioner of the occult... Feluda and Topshe are on vacation in picturesque Gangtok when they stumble upon the mysterious murder of a business executive. There are many suspects-the dead man's business partner Sasadhar Bose, the long-haired foreigner Helmut, the mysterious Dr Vaidya, perhaps even the timid Mr Sarkar. Feluda unravels the knotty case with his usual aplomb and tracks the criminal down in a far-flung monastery.

Bibhutibhushan Bandyopadhyay was one of the greatest writers in modern Bengali literature, best known for his autobiographical novel Father Panchali, which, along with another of Bandyopadhyay's books, formed the basis for Satyajit Ray's classic Apu Trilogy. In this semi-autobiographical novel, Satyacharan is a young graduate in 1920s Calcutta, who, unable to find a job in the city, takes up the post of a 'manager' of a vast tract of forested land in neighboring Bihar. As he is increasingly enchanted and hypnotized by the exquisite beauty of nature, he is burdened with the painful task of clearing this land for cultivation. As ancient trees fall to the cultivator's axe, indigenous tribes--to whom the forest had been home for millennia--lose their ancient way of life. The promise of 'progress' and 'development' brings in streams of landless laborers, impoverished schoolmasters and starving boys from around the region, and the narrator chronicles in visionary prose the tale of destruction and dispossession that is the universal saga of man's struggle to bend nature to his will. Written in 1937-39, and now available in English translation, Aranyak is an unforgettable account of hard lives in a place of vanishing beauty, preserved here for all time by a brilliant artist.

One of the Best Books of 2017: National Public Radio, San Francisco Chronicle, Library Journal, Shelf Awareness "Remarkable . . . Captivating . . . Rachlin is a skilled storyteller." --New York Times Book Review "A gripping legal-thriller mystery . . . Profoundly elevates good-cause advocacy to greater heights--to where innocent lives are saved." --USA Today "A crisply written page turner." --NPR A gripping account of one man's long road to freedom that will forever change how we understand our criminal justice system During the last three decades, more than two thousand American citizens have been wrongfully convicted. Ghost of the Innocent Man brings us one of the most dramatic of those cases and provides the clearest picture yet of the national scourge of wrongful conviction and of the opportunity for meaningful reform. When the final gavel clapped in a rural southern courtroom in the summer of 1988, Willie J. Grimes, a gentle spirit with no record of violence, was shocked and devastated to be convicted of first-degree rape and sentenced to life imprisonment. Here is the story of this everyman and his extraordinary quarter-century-long journey to freedom, told in breathtaking and sympathetic detail, from the botched evidence and suspect testimony that led to his incarceration to the tireless efforts to prove his innocence and the identity of the true perpetrator. These were spearheaded by his relentless champion, Christine Mumma, a cofounder of North Carolina's Innocence Inquiry Commission. That commission--unprecedented at its inception in 2006--remains a model organization unlike any other in the country, and one now responsible for a growing number of exonerations. With meticulous, prismatic research and pulse-quickening prose, Benjamin Rachlin presents one man's tragedy and triumph. The jarring and unsettling truth is that the story of Willie J. Grimes, for all its outrage, dignity, and grace, is not a unique travesty. But through the harrowing and suspenseful account of one life, told from the inside, we experience the full horror of wrongful conviction on a national scale. Ghost of the Innocent Man is both rare and essential, a masterwork of empathy. The book offers a profound reckoning not only with the shortcomings of our criminal justice system but also with its possibilities for redemption.

334 B.C.Alexander the Great begins his conquest of the Persian Empire. But his plans for everlasting glory do not end there and the young kind marches towards the Ends of the Earth - the lands of the Indus - on a secret quest. It will lead him to an ancient secret. It will lead him to an ancient secret concealed in the myths of the Mahabharata; a secret that is powerful enough to transform him into a god.. PRESENT DAY In Greece, the ancient tomb of a queen is discovered, a tomb that has been an enigma for over 2000 years. In New Delhi, the Intelligence Bureau discovers unexplained corpses in a hidden lab. Vijay Singh and his friends, now members of an elite task force, are sucked into a struggle with a powerful and ruthless enemy. In a deadly race against time, they will need to solve a riddle from antiquity that will lead them to encounter shocking secrets from the past; secrets that will reveal mystifying links between ancient history, the Mahabharata and the ancient enemy with diabolical plans for a future that will hold the world to ransom. The Quest has just begun... After the Mahabharata Secret, Christopher C Doyle yet again explores the science behind the enduring mythology of the Mahabharata and brings it alive in a contemporary setting. The result is a gripping story that will keep you hooked right until the last page.
