In any case, a male cat
needs more than one
female to keep it happy,
and its owner will have
to decide whether to
keep at least five or six
females or to advertise
the male at public stud.

So for the beginner, it is

Download File

PDF Cats Cat

better to buy a female kitten, sending her away to stud when she is sufficiently mature. The majority of female cats live quite happily in the house as pets, whereas with a male it will prove practically impossible to allow it the freedom of the home due to his habit of spraying.

association like the
CFA. Knowing the
breed of your cats is
essential in cat breeding
because you can easily
be familiar with the
characteristics of the cat
and its behavior. It is
better to talk with other
breeders for some
helpful advice and tips if
you are just a starter in
the business. In pairing
