The Chinese dragons do contain a rough spot, a Reverse Scale (逆鱗, Gyaku Uroko?) below their chins, that when touched, causes them to rage and devastate the earth with their rampaging power. It shows that even such perfect existences also display a deplorable side.

The paranormal world just can't seem to cut Ren a break. Just when she thought she could finally settle into normal-well, relatively normal-life as the last of the dragon shifters with her four alpha mates, she finds her people on the brink of a supernatural war. The vampires have decided all shifter kind must be exterminated, and they've got the firepower to make good on that goal. Ren's got plenty of fire of her own, of course. But she's only one dragon, and there are a whole lot of vampires. As she scrambles to protect all of her kin and figure up what the heck is up with the last of her mates, she can't help suspecting this challenge is more than she and her alphas can handle alone. The secrets buried in the dragon shifter estate may hold the answer-but finding it will force her to question everything she thought she knew about this new world.

Three dragons. One woman. A reverse harem fantasy that will leave you breathless and begging for more... Dareena Sellis is a nobody. The orphaned daughter of a no-name farmer, she toils away as a serving girl at Hallowdale Inn, her only marriage prospects either shipping off to war, or pawing at her skirts with their grubby, gnarled hands. But fate takes a strange turn the day a dragon huntress comes to town. Suddenly, Dareena is swept off to Dragon's Keep, trading in her raggedy dresses for silken gowns, her closet-sized room for feather pillows and spacious gardens, and her miserable suitor for three very handsome, veryvirile dragon princes. For Dareena is not a nobody. She is the Dragon's Gift--the one woman chosen by the gods every century to bear children for the future king of Dragonfell. Despite her pre-ordained path, Dareena's fate is far from certain. The crown has not given birth to more than one son in nearly a thousand years, and the line of succession is far from clear. Neither of the princes are willing to cede Dareena to the other, and yet she must choose. For the enemy is knocking on Dragonfell's door, and Dareena's decision could either mean the kingdom's salvation... ..or annihilation.

When a great she-dragon is infected, she fears death is her only solution. The Gloom is a powerful curse, one that escaped from Hell as the first of the demons escaped many years before. This curse aims to possess all living things in an effort to corrupt and destroy. Thankfully, the dragon was spared that fate. But now she's bonded to a mortal male who holds the ultimate control over her. Ronen even goes as far as to name this creature known as nature's protector, gifting her with another form she never thought possible. Now named Fate, she must journey with Ronen to find the other two mortals in his triad. Along the way, they are confronted with those who have fallen prey to the Gloom.Will they find their missing comrades in time and save

With unexpected enemies around every corner, it'll take all her newfound strength to survive the fray.

With an all-out war waging in the Haven over control of the Source, immortal dragon Numa only cares about one thing: securing a powerful enough partner for a taxing ritual that will turn the tides of battle. But Fate hasn't made her task easy. Rather than show her who her fated mates are to be, the infuriating eternal entity she calls a father has made Numa the prize in a contest of the gods. Whoever wins the favor of Fate's last unmated daughter shall have her as a partner. Numa sees this as an opportunity to secure a lover strong enough to complete the ritual, but isn't prepared when all five contestants unexpectedly capture her heart. Love should not be a factor when her entire world is at risk, so Numa knows she must choose between them. What does an immortal dragon do when given an impossible choice? She takes them all.

The fate of the world rests on the shoulders of four sexy dragon shifters and the woman they're sworn to serve...It's time for me to embrace my destiny as the next Black Dragon, the one who can control all five elements and bring balance to the realms.I've bonded with two of my mates, Jasin and Auric, and now we continue our journey so I can become intimate with Slade and Reven. It's a race against the Dragons we're meant to overthrow, who will do anything to stop us from fulfilling our destiny.We're going to need allies if we want to defeat the Dragons, even if that means confronting the dark secrets of our pasts. But death and destruction follow us at every turn, and unlocking the hearts of my last two mates seems nearly impossible. When all seems lost, will love be enough to save us?SHAKE THE EARTH is the third book in this steamy fantasy romance series full of dark secrets, dangerous enemies, and smoldering desires.

The last of her kind. Four hot alpha mates. A legacy of bloodshed. When Ren Landis goes looking for excitement on her 21st birthday, getting kidnapped is a little more than she bargained for. So is finding out that shifters exist-and that she's one too. As the last of the dragon shifters, she's got a role to fulfill: Take the alphas of the four shifter groups as her mates and unite all shifter kind. No pressure, right? Too bad Ren's fate isn't as simple as getting it on with four scorching-hot guys. Someone is out for dragon shifter blood, intent on finishing the massacre they started years ago. If Ren can't figure out how to kickstart her buried powers, her life's about to go down in flames.

Four Dragon Guards. Three Curses. Two Heirs. One Choice... Forbidden love or the throne of the dragons? Isola Dragice thought she knew what her future would bring. On her eighteenth birthday, she'd inherit the dragon throne, but one earth-shattering moment destroys everything. As war looms heavy over Dragca, Isola is catapulted out of her pretend human life and thrust into a world, she knows little of. One life-threatening accident, when she loses control of her dragon, ends up with the whole of Dragca academy hating her. When the four most powerful dragons in history are ordered to protect her, they find themselves with an awkward problem. Her family cursed them centuries ago, relegating them to slaves of the throne and they hate all royals. Especially an ice dragon princess with no control over her powers that can kill fire dragons. Which the whole school is full of. What happens when fire falls for Ice? 18+ **Reverse harem**

In my case that was literal - I had Ozzie West's soul and didn't know it, but now it's been torn from me and him along with it. I'm afraid I will never get him back. My heart is broken. My three mates may try to fill that void, but they don't understand what he meant to me. They can't see the memories unlocked by Fate. Only one man can help, but he's the one man I'm afraid I can never trust again.
