The cover is Holt Environmental Science Active Reading workbook. I noticed when I went to copy the first chapter's text prep that the content did not look like Environmental Science. Then I noticed that the interior page says it's the test prep for Physical Science...NOT Environmental Science, even though the cover is Environmental Science.

Our environmental problems are huge, and they require careful attention and action. The twenty-first century will be a crucial time in human history, a time when we must find solutions that allow people on all parts of our planet to live in a clean, healthy environment and have the resources they need for a good life. - p. 5.
