JPS Tanakh 1917. ... The following is from the preface to the Jewish Publication Society's 1917 edition of the Hebrew Bible in English: The sacred task of translating the Word of God, as revealed to Israel through lawgiver, prophet, psalmist, and sage, began at an early date. According to an ancient rabbinic ...

Contains the Torah, Prophets (Nevi'im) and Writings (Kethubim) Indexable 5 7/8 x 8 1/8 % Font size: 7

This guide to the Jewish Bible explains what the Jewish Bible is, how it developed, its structure and differences between it and Christian Bibles. It also includes short histories of Bible translations and commentaries, a guide to characters and places, plus an introduction to Biblical poetry, storytelling, law and Bible study.

One of the World's Foremost Bible Experts Offers a Groundbreaking Presentation of the Five Books of Moses In The Bible with Sources Revealed, Richard Elliott Friedman offers a new, visual presentation of the Five Books of Moses -- Genesis, Exodus, Leviticus, Numbers, and Deuteronomy -- unlocking the complex and fascinating tapestry of their origins. Different colors and type styles allow readers to easily identify each of the distinct sources, showcasing Friedman's highly acclaimed and dynamic translation. NOTE: This book is meant to be experienced in color and the eBook is not compatible with black and white devices.

JPS is pleased to make available a new, more compact edition of the landmark publication, Etz Hayim: A Torah Commentary. This book, a publication of the Conservative movement, was produced through a joint venture of the Rabbinical Assembly, the United Synagogue of Conservative Judaism, and The Jewish Publication Society. hardcover edition and is ideal for personal study and travel. It contains all the material in the original, excerpt for the essays. The Bible text, translations, and commentaries as well as the blessings, artwork, maps, glossary and other reference tools for the worshiper and student of Torah reader are included. use.

The only complete interlinear Bible available in English-and it's keyed to Strong's Exhaustive Concordance! Thousands of pastors, students, and laypeople have found The Interlinear Bible to be a time-saving tool for researching the subtle nuances and layers of meaning within the original biblical languages. Featuring the complete Hebrew and Greek texts with a direct English rendering below each word, it also includes The Literal Translation of the Bible in the outside column. But what truly sets this resource apart are the Strong's numbers printed directly above the Hebrew and Greek words. Strong's numbers enable even those with no prior knowledge of Greek or Hebrew to easily access a wealth of language reference works keyed to Strong's-Greek/Hebrew dictionaries, analytical lexicons,

concordances, word studies, and more. The Hebrew is based on the Masoretic Text and the Greek is from the Textus Receptus. The sources of the texts are documented in the preface, and are essentially the same (with some minor variations) to the Hebrew and Greek texts used by the KJV translators. Only a small minority of Bible students ever achieve the ability to read the original biblical languages. This resource offers a non-threatening tool for those lacking language training to begin exploring the languages of Scripture. Conveniently includes the entire Hebrew and Greek text of the Bible in one place Offering a concise, literal translation of each Greek and Hebrew word, it's a great jumping off point for in-depth Bible study and text analysis. This Bible displays all the Hebrew, Aramaic, and Greek words of the Bible in the Masoretic Hebrew Text and the Received Greek Text, with literal, accurate English meanings placed directly under each original word in interlinear form, with Strong's Concordance numbers over each original word, enabling the Bible student (whether knowing the original languages or not) to refer to all lexicons and concordances that have also been coded with Strong's numbers. 2,936 pages, bound in a bonded leather over boards hardback edition. This new edition has been much improved by a new typesetting of the New Testament (Volume IV), with larger print, the left marginal column containing a newly revised Literal Translation of the Bible (2000), and a right marginal column containing the Authorized/King James Version (1769). The three volume Old Testament is an exact reprint of the 1985 Hendrickson Publishers Edition. The Old Testament does not yet have the 1769 King James Version. The only complete Interlinear Bible is now fully keyed to Strong's Concordance numbers. The Strong's numbering above each Hebrew and Greek word - along with the Interlinear text and marginal literal English Translation and the 1769 Authorized King James Version - opens a treasure house of Bible study possibilities for those who wish to understand the Scripture better. It's use will allow the novice student to read the original text without losing valuable time to look up the meaning of the Hebrew & Greek words in the Hebrew & Greek lexicons. There is no substitute for a first hand knowledge of the original text. However since only a small minority of Bible students retain an easy reading comprehension of the original text, the Interlinear Bible is a welcome aid to Bible students, laymen, and pastors who wish to continue working with the original languages.

Anyone interested in learning to read the Hebrew Bible in its original language will find within the pages of this book all the resources needed to begin this wonderful journey. The book is laid out in four parts. The first part teaches the Hebrew alphabet through a series of lessons. The second part teaches word and sentence structure of the Hebrew language by breaking down each Hebrew word in Genesis chapter one, verses one through five. The Hebrew text of Genesis chapter one is provided for reading and comprehension practices in part three. The fourth part of the book contains charts and dictionaries of prefixes, suffixes, words and roots of the Hebrew language to assist the reader with vocabulary definitions and comprehension. Within a short amount of time the Hebrew student will soon be reading the Bible through the eyes of the author rather than the opinions of a translator. ABOUT THE AUTHOR Jeff Benner has had a long interest in the Hebrew language of the Bible and in 1996 he began researching the ancient pictographic alphabet used by the Hebrew people and other Semitic tribes. He has made many significant discoveries linking the ancient Hebrew culture with the ancient Hebrew language and alphabet. In 1999 Jeff founded the "Ancient Hebrew Research Center" to research and teach Biblical understanding through the alphabet and language to those with little or no Hebrew background. Jeff's current project is the Ancient Hebrew Lexicon of the Bible. This Lexicon defines Hebrew words of the Bible according to their cultural context revealing the original Hebraic meanings of Biblical passages and words.

Von Speyr's book does not lend itself to any classification that I can think of. It is not dogmatic theology; still less is it exegesis.... There is nothing to do but to submit oneself to it; if the reader emerges without having been crushed by it, he will find himself strengthened and exhilarated by a new experience of Christian sensibility. —T.S. Eliot Adrienne von Speyr wrote an acclaimed four-volume series of meditations on Saint John ' s Gospel, and this volume presents her reflections on the Prologue (1:1–18). Her insights embrace the whole Christian revelation as well as its acceptance and rejection by men. This work is a spiritual meditation of the highest quality, the fruit of prayer, discernment, and communion with the sacramental life of the Church. It provides rich nourishment for both theological reflection and contemplation.

Megillat Esther - The Book of Esther - with a new commentary anthologized from Talmud, Midrash, classic Rabbinic commentators, and the Chabad Rebbes. The anthology was compiled by Rabbis Yosef Marcus and Eli Block. The text of the Megillah proper was translated and interpolated by Rabbi Yosef Marcus. In the appendices, we have included "Megillah Reading for Purim," which includes the blessings that are recited before and after the reading, as well as the entire text of the Megillah.

Hebrew-English Torah: The Five books of Moses is a Study Edition of the traditional Masoretic text, placed next to the classic "word-for-word" Jewish translation; it features the most authoritative Hebrew text -- based on the Leningrad Codex and complete with cantillation marks, vocalization and verse numbers. The large format and the use of good paper are part of the design to allow a diligent Torah student to write on margins for more efficient learning. This printed edition comes with a free downloadable PDF edition of the title provided by Varda Books upon presenting to it the proof of purchase.

The Jewish Bible: an introduction -- 1. The Torah Scroll -- 2. The Hebrew Bible in the age of the manuscript -- 3. The Jewish Bible in the early age of print -- 4. The Jewish Bible since the sixteenth century -- Epilogue: The future of the Jewish Bible
