This powerful memoir and inspirational guide shares a story of loss, resilience, and life-changing lessons found in the darkest seasons of life. When Ashley LeMieux and her husband lost their children in an adoption battle, it sent her into a tailspin that, ultimately, taught Ashley how to soar. Most people live with constant fears, burdens, and pains that they try to hide from themselves or others. In Born to Shine, Ashley shares a message of hope for women brave enough to admit that everything is not okay. Because the truth is that even when life is in ruins, people can still shine. LeMieux tells her story in alternating chapters, interspersed with lessons readers can apply in their own lives. It combines personal reflections and practical tools to help women shine despite the darkness, to press forward one day at a time, and to turn their most painful moments into their greatest teachers and signposts to true, deep, unassailable joy.
