About Marriage after Modernity. This  
book offers nothing less than a new  
vision for Christian marriage at a time  
of unprecedented social and  
theological change. It breaks new  
ground in drawing on earlier traditions  
of betrothal and informal marriage in  
welcoming some forms of pre-marital  
cohabitation, and provides a new  
defence of the link between marriage  
and procreation by sketching a  
theology of liberation for children.
