domestic suspense in which a mother must decide how far she is willing to go to protect her child and the life she loves—an unforgettable tale of power, privilege, lies, revenge, and the choices we make, ones that transform our lives in unforeseen ways. Revenge doesn't wait for permission. Growing up poor in rural Georgia, Bree Cabbat was warned that the world was a dark and scary place. Bree rejected that fearful outlook, and life has proved her right. Having married into a family with wealth, power, and connections, Bree now has all a woman could ever dream of. Until the day she awakens and sees someone peering into her bedroom window—an old gray-haired woman dressed all in black who vanishes as quickly as she appears. It must be a play of the early morning light or the remnant of a waking

## Read Online May You Be The Mother Of A Hundred

dream, Bree tells herself, shaking off the bad feeling that overcomes her. Later that day though, she spies the old woman again, in the parking lot of her daughters' private school . . . just minutes before Bree's infant son, asleep in his car seat only a few feet away, vanishes. It happened so quickly—Bree looked away only for a second. There is a note left in his place, warning her that she is being watched; if she wants her baby back, she must not call the police or deviate in any way from the instructions that will follow. The mysterious woman makes contact, and Bree learns she, too, is a mother. Why would another mother do this? What does she want? And why has she targeted Bree? Of course Bree will pay anything, do anything. It's her child. To get her baby back, Bree must

## Read Online May You Be The Mother Of A Hundred

complete one small—but critical—task. It seems harmless enough, but her action comes with a devastating price. Bree will do whatever it takes to protect her family—but what if the cost tears their world apart?

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

“A book of great value for every daughter and every mother; useful for sons, too.”—Benjamin Spock, M.D.  
From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't “good enough”—and to stop blaming them.

## Read Online May You Be The Mother Of A Hundred

Among the issues to be covered: □ To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation □ To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the “bad mommy,” in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them □ To conjugate what I call the “Bad Mommy Taboo”—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters □ To describe the evolution

## Read Online May You Be The Mother Of A Hundred

of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance. To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter. To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity. To illustrate the responsive behavior—and survival mechanisms—of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into

## Read Online May You Be The Mother Of A Hundred

patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector □ To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad □ Finally, to demonstrate that a redefined relationship with one's mother□adult to adult□frees you from the past, whether that re definition ultimately results in real friendship, affectionate truce, or divorce.

Seldom does one encounter a history of a military unit that so compellingly reproduces its experiences.--New York Times "An unusually detailed study of men at war, as well as a superb unit

## Read Online May You Be The Mother Of A Hundred

history."--Publishers Weekly "An altogether splendid contribution to military history."--Kirkus The 57th Massachusetts Veteran Volunteers lost more men killed and mortally wounded than any other regiment in the Union army. In this classic Civil War unit history, Wilkinson crafts an intimate, gutsy, candid story of men at war. Covers the Wilderness, Spotsylvania, Cold Harbor, and Petersburg No-holds-barred account of the fatigue, horror, boredom, gallantry, and cowardice of the Civil War soldier

and ability to leap tall Lego buildings in a single bound." Erin Falconer, author of *How To Get Sh\*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything* A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day! Katherine Wintsch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of *The Mom Complex*, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of "never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In *Slay Like a Mother*, you'll laugh, you'll cry, and you'll
