What are you grateful for? That is precisely the question that Hailey Bartholomew asked herself every day for a year. Struggling with depression, she reached out for help and received life-changing advice: Find something every day that you are grateful for. Embracing her assignment, Hailey used her talents as a photographer to put a twist on the exercise, taking pictures of her "gratefults" and becoming more aware that her depression was lifting in the process. 365 Gratefults is a collection of photographs recounting Hailey's transformation from depression to an unhindered appreciation of the world around her, combined with stories and images from many others who have encountered the effects of gratitude.
