All the latest breaking UK and world news with in-depth comment and analysis, pictures and videos from MailOnline and the Daily Mail.

Unable to forget the passionate time she spent with West, a broken-hearted Caroline rushes to support him during a family tragedy, a reunion overshadowed by his anger and her continuing lawsuit against her ex. By the author of Along Came Trouble. Original. 75,000 first printing.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL In Robin York's sizzling debut, a college student is attacked online and must restore her name—and stay clear of a guy who's wrong for her, but feels so right. When Caroline Piasecki's ex-boyfriend posts their sex pictures on the Internet, it destroys her reputation as a nice college girl. Suddenly her once-promising future doesn't look so bright. Caroline tries to make the pictures disappear, hoping time will bury her shame. Then a guy she barely knows rises to her defense and punches her ex to the ground. West Leavitt is the last person Caroline needs in her life. Everyone knows he's shady. Still, Caroline is drawn to his confidence and swagger—even after promising her dad she'll keep her distance. On late, sleepless nights, Caroline starts wandering into the bakery where West works. They hang out, they talk, they listen. Though Caroline and West tell each other they're "just friends," their feelings intensify until it becomes impossible to pretend. The more complicated her relationship with West gets, the harder Caroline has to struggle to discover what she wants for herself—and the easier it becomes to find the courage she needs to fight back against the people who would judge her. When all seems lost, sometimes the only place to go is deeper. Praise for Deeper "York's beautiful prose and vivid descriptions enhance the realism and impact of Caroline and West's story. Deeper and Harder are sensual and profoundly moving. The books are told in first-person from both Caroline's and West's POVs, and I sat on the emotional roller coaster right beside them as West learns to hold tight to Caroline and embrace life to the fullest. . . . They are books I will cherish." —Lisa Franczak, USA Today "Deeper perfectly captured me. Robin York masterfully tells this story with the perfect balance in tone and realistic characters that I'm still thinking about days later. One of the best written New Adult novels, hands down!" —Gora Carmack, New York Times bestselling author of Losing It "Bursting with chemistry, emotion, and heart, Caroline and West's story will take your breath away!" —Katy Evans, New York Times bestselling author of the REAL series "The perfect New Adult story. West will make you swoon!" —New York Times bestselling author Monica Murphy "Beautifully written and full of swoony tender moments, toe-curling chemistry, and delicious, twisty angst. . . . Stop whatever you're doing and read this book." —Christina Lauren, author of the Beautiful Bastard series

« Questa storia è emozione, è sospiri, è un nodo allo stomaco che ti fa battere il cuore. » Il rumore dei libri Autrice bestseller di USA Today Caroline & West Series Caroline continua a sognare West. La sua pelle calda, i suoi muscoli, le sue mani addosso a lei. Poi si sveglia e torna alla realtà: West se n'è andato. E prima di andarsene, le ha spezzato il cuore. Ma un giorno, all'improvviso, West le chiede aiuto. Una tragedia ha colpito la sua famiglia: una famiglia già abbastanza nei guai. Senza pensarci, Caroline sale su un aereo per raggiungerlo e stargli vicino. Sono di nuovo insieme, ma lui sembra completamente cambiato: è nervoso, pare avercela con il mondo. Caroline non sa come comportarsi. Dovrebbe tornare nell' Iowa e occuparsi della causa contro l'ex fidanzato che ha postato le loro foto private per vendicarsi. E invece eccola lì. Profondamente innamorata di West. Ancora. Perdersi è stato doloroso Ritrovarsi potrà essere molto difficile « La storia di Caroline & West è sensuale e commovente al tempo stesso: un'altalena di emozioni. » USA Today « La perfetta storia New Adult. West vi farà letteralmente impazzire! » Monica Murphy Robin York. E cresciuta in un campus, è andata all'università e poi ha sposato un professore universitario. Con lo pseudonimo di Ruthie Knox è un'autrice bestseller di USA Today. Nel tempo libero fa la mamma e prepara fantastici dolci, ma non smette mai di risolvere spinosi problemi di trama. La Newton Compton ha già pubblicato Non dimenticarmi mai.

This book, based on authoritative sources and reports, links environmental communication to different fields of competence: environment, sustainability, journalism, mass media, architecture, design, art, green and circular economy, public administration, big event management and legal language. The manual offers a new, scientifically based perspective, and adopts a theoretical-practical approach, providing readers with qualified best practices, case studies and 22 exclusive interviews with professionals. A fluent style of writing leads the readers through specific details, enriching their knowledge without being boring. As such it is an excellent preparatory and interdisciplinary academic tool intended for university students, scholars, professionals, and anyone who would like to know more on the matter.

Sometimes first loves burn bright, then flicker out. But in this heartwarming eBook novella from RITA finalist and New York Times bestselling author Ruthie Knox, it's never too late for a second chance at true love. Ambitious and driven, Carson Vance couldn't wait to escape the small town where he was born. But now that Carson is back to spend Christmas with his ailing father, he must face all the people of Potter Falls he's left behind. Topping that list is Julie Long, who's sacrificed so much for Carson's family, and whose heart he broke once upon a time. Now the proprietor of the local inn, Julie has blossomed from a shy schoolgirl into a successful, seductive, independent woman—everything that Carson's looking for in a relationship. But despite several steamy encounters under the mistletoe, Julie refuses to believe in happily ever after. Now Carson must convince Julie that he's back for good—and that he wants her in his life for all the holidays to come.

Proving fruitful in various applications throughout its two millennia of predominance, the rhetorical technique appears to have entertained a particularly symbiotic interrelation with drama. With contributions from (among others) a Classicist, historical, linguistic, musicological, operatic, cultural and literary studies perspective, this publication offers interdisciplinary assessments of specific reciprocities between the system of rhetoric and dramatic works: tracing the longue durée of this nexus—highlighting its Ancient foundations, its various Early Modern formations, as well as certain configurations enduring to this day—enables describing shifting degrees of rhetoricity; approaching it from an interdisciplinary viewpoint facilitates focusing on the often sidelined rhetorical phenomena located beyond the textual plane, specifically memoria and actio; tackling this interchange from various viewpoints and with diverse emphases, a long-lasting and highly prolific cross-fertilization between drama and rhetoric is rendered visible. In tending a balanced panorama of both detailed case studies and descriptive overviews, this volume also points toward terrain yet to be charted in the scholarship to come. The volume was prepared in co-operation with the ERC Advanced Grant Project Early Modern European Drama and the Cultural Net (DramaNet).

The blending of people and living machines is a central element in the futurist "reconstruction of the universe." However, prior to the futurist break, a group of early-twentieth-century poets, later dubbed crepuscolari (crepusculars), had already begun an attack against the dominant cultural system, using their poetry as the locus in which useless little objects clashed with the traditional poetry of human greatness and stylistic perfection. The Quiet Avant-garde draws from a number of twenty-first-century theories—vital materialism, object-oriented ontology, and environmental humanities—as well as Bruno Latour's criticism of modernity to illustrate how the crepuscular movement sabotaged the modern mindset and launched the counter-discourse of the Italian avant-garde by blurring the line dividing people from "things." This liminal poetics, at the crossroad of tradition, modernism, and the avant-garde, acted as the initiator of the ethical and environmental transition from a universe subjected to humans to human-thing co-agency. This book proposes a contemporary reading of Italian twentieth-century movements and offers a foothold for scholars outside Italian studies to access authors who are still unexplored in North American literature.
