new Civil Procedure Rules, Practice Directions and Pre-action Protocols, which make up our newly reformed civil procedure system. The substance of the rules are considered in detail and their effect explained to make it clear how they operate in practice. Case law is examined to demonstrate how the court applies the rules in practice. The Woolf Reforms are used to explain the rationale of the new system.; The book provides not only a clear guide to the meaning of the new rules but also a vital insight into the new culture, typified by case management, proportionality and the overriding objective, which has fundamentally reformed the principles on which our civil procedure system is based. A critique is given of the merits of the reforms and the likelihood that they will achieve their objectives.

In 1962 the poet, musician, and performer Maya Angelou claimed another piece of her identity by moving to Ghana, joining a community of "Revolutionist Returnees" inspired by the promise of pan-Africanism. *All God's Children Need Walking Shoes* is her lyrical and acutely perceptive exploration of what it means to be an African American on the mother continent, where color no longer matters but where American-ness keeps asserting itself in ways both puzzling and heartbreaking. As it builds on the personal narrative of *I Know Why the Caged Bird Sings* and *Gather Together in My Name*, this book

confirms Maya Angelou's stature as one of the most gifted autobiographers of our time.

Sometimes melancholy, sometimes brutal, occasionally funny and infuriating, a journalist-comrade-lover caught up in the shade and shadow of politics and social injustice faces treachery and betrayal on every level. Set against the backdrop of a cityscape that taunts and tantalises, this is where love fails and passion wanes, "where suffering has no meaning", where an individual escapes death only to find himself confronted with choices wrought by remorse and retribution, by conscience and character. And yet, with all trauma, there is a distinct musicality to the lyrical unpacking that follows a string of small things ...
