### Positive Discipline Jane Nelsen

Based on the best-selling Positive Discipline parenting books by child psychologist Dr. Jane Nelsen, Positive Discipline teaches important social and life skills in a manner that is deeply respectful and encouraging for both children and parents. Recent research tells us that children are hardwired from birth to connect with others, and that children who feel a sense of connection to their community, family, and school are less likely to misbehave.

### Positive Discipline | Dr. Jane Nelsen

For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect.

### Positive Discipline: The Classic Guide to Helping Children ...

Jane Nelsen is the author of the Positive Discipline Series and co-founder of a worldwide training program, through the Positive Discipline Association, that has certified thousands of Positive Discipline Facilitators in over 70 countries. The original book, written in 1981, was the product of Jane ' s deep gratitude for the changes she was able to make as a parent of 7 children after learning the philosophy of Alfred Adler and Rudolf Dreikurs in her college class in Child Development and ...

### Dr. Jane Nelsen | Positive Discipline

JANE NELSEN, Ed.D, coauthor of the bestselling Positive Discipline series, is a licensed marriage, family, and child therapist and an internationally known speaker. LYNN LOTT, M.A., M.F.T. , is a therapist and author of more than 18 books and manuals including four in the Positive Discipline series.

### Positive Discipline for Teenagers, Revised 3rd Edition ...

I own pretty much all the positive discipline books from Jane Nelsen, but have read many other philosophies. She has a very solid head on her shoulders and gives well grounded and healthy advice. It feels much more natural and sensible than love and logic (which I believe is more geared towards older kids 8-16yo).

### Positive Discipline for Preschoolers: For Their Early ...

Jane Nelsen wrote and self-published Positive Discipline in 1981. In 1987 Positive Discipline was picked up by Ballantine, now a subsidiary of Random House. The latest edition was published by Ballantine in 2006, which includes 4 of the 5 criteria for Positive Discipline listed below. Nelsen has since added the 5th criteria.

### Positive discipline - Wikipedia

The key to disciplining a child is not punishment, but mutual respect. Positive Discipline by psychologist Dr. Jane Nelsen builds positive parenting skills.

### Parenting Books | Positive Discipline | Dr. Jane Nelsen

Positive Discipline is a model based on Adlerian Psychology. It can be used by parents, teachers, couples, business and community leaders to learn to create responsible, respectful, and resourceful relationships in their communities.

### Positive Discipline Association - Home

Based on the best selling Positive Discipline books by Jane Nelsen, Lynn Lott, and co-authors, this model can be applied to both children and adults to become contributing members of their communities. The premise of this model is to help people find a sense of belonging and significance following FIVE CRITERIA:

Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive

For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline with no loss of dignity. Inside you ' ll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior “ It is not easy to improve a classic book, but Jane Nelson has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you. ” —Sal Severe, author of How to Behave So Your Children Will, Too! Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give

your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice.

Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive

Completely updated to report the latest research in child development and learning, Positive Discipline for Preschoolers will teach you how to use methods to raise a child who is responsible, respectful, and resourceful. Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Why won't my three-year-old listen to me? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents just like you have come to trust the Positive Discipline series and its commonsense approach to child-rearing. This revised and updated third edition includes information from the latest research on neurobiology, diet and exercise, gender differences and behavior, the importance of early relationships and parenting, and new approaches to parenting in the age of mass media. In addition, this book offers new information on reducing anxiety and helping children feel safe in troubled times. You'll also find practical solutions for how to: - Avoid the power struggles that often come with mastering sleeping, eating, and potty training - See misbehavior as an opportunity to teach nonpunitive discipline—not punishment - Instill valuable social skills and positive behavior inside and outside the home by using methods that teach important life skills - Employ family and class meetings to tackle behavioral challenges - And much, much more!

Nelsen's popular Positive Discipline philosophy is used in hundreds of schools as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. In this latest edition, teachers learn how to create and maintain an atmosphere where learning can take place--and where students and teachers can work together to solve problems.

The tenets of Positive Discipline consistently foster mutual respect between the parent and their child so that any child--from a three-year-old toddler to a rebellious teenager--can learn creative cooperation and self-discipline without losing their dignity. This new parenting workbook will be filled with day-to-day exercises for parents to improve their parenting skills, along with success stories from parents worldwide who have benefited from the Positive Discipline philosophy. With these exercises, parents will be able to bridge communication gaps, build on their child's strengths, defuse power struggles, teach their child how to think for themselves, and more.

**MORE THAN 2 MILLION POSITIVE DISCIPLINE BOOKS SOLD** The Positive Discipline method has proved to be an invaluable resource for teachers who want to foster creative problem-solving within their students, giving them the behavioral skills they need to understand and process what they learn. In Positive Discipline Tools for Teachers, you will learn how to successfully incorporate respectful, solution-oriented approaches to ensure a cooperative and productive classroom. Using tools like "Connection Before Correction," "Four Problem-Solving Steps," and "Focusing on Solutions," teachers will be able to focus on student-centered learning, rather than wasting time trying to control their students' behavior. Each tool is specifically tailored for the modern classroom, with examples and positive solutions to each and every roadblock that stands in the way of cooperative learning. Complete with the most up-to-date research on classroom management and the effectiveness of the Positive Discipline method, this comprehensive guide also includes helpful teacher stories and testimonials from around the world. You will learn how to: - Model kind and firm leadership in the classroom - Keep your students involved and intrinsically motivated - Improve students' self-regulation -And more!

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of Positive Discipline for Teenagers shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: -Find out how to encourage your teen and yourself -Grow to understand how your teen still needs you, but in different ways -Learn how to get to know who your teen really is -Discover how to develop sound judgment without being judgmental -Learn how to use follow-through—the only surefire way to get chores done Over the years, millions of parents have come to trust the classic Positive Discipline series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million Positive Discipline books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of Raising Self-Reliant Children in a Self-Indulgent World.

With the increasing pressure to excel at parenting, work, and personal relationships, it's easy to feel stressed and dissatisfied. This targeted Positive Discipline guide gives parents the tools to parent effectively without sacrificing their well-being or giving up on their life goals. Instead of creating unachievable expectations, you will instead learn to play to your strengths at work and at home. You'll integrate your seemingly disparate areas of life and use Positive Discipline to make the most out of your time, energy and relationships. By helping you get to the bottom of the underlying causes of misbehavior, busy parents will also be able to avoid pampering and keep permissive and punitive parenting at bay. Instead of feeling fragmented and guilty, you'll have the presence of mind to explore what works best for you and your family. Attitude is key – we'll help you feel confident in your parenting abilities and your professional choices, making your children more likely to adopt an attitude of self-reliance and cooperation. Armed with communication strategies and tips for self-reflection, moms (and dads!) won't have to feel guilty about leaving their child with a sitter during the day, or leaving work early to go to a soccer game.

The celebrated Positive Discipline brand of parenting books presents the revised and updated third edition of their readable and practical guide to communicating boundaries to very young children and solving early discipline problems to set children up for success. Over the years millions of parents have used the amazingly effective strategies of Positive Discipline to raise happy, well-behaved, and successful children. Research has shown that the first three years in a child's life are a critical moment in their development, and that behavior patterns instilled during that time can have profound implications for the rest of a child's life. Hundreds of thousands of parents have already used the advice in Positive Discipline: The First Three Years to help set effective boundaries, forge strong foundations for healthy communication, and lay the groundwork for happy and respectful relationships with their young children. Now this classic title has been revised and updated to reflect the latest neuroscientific research and developments in positive discipline parenting techniques.
