Sundays are/were lazy in US/The West because Sunday is the Sabbath and many businesses are/were shutdown on Sundays. The Sunday closures were frequently enforced through blue laws. Therefore people couldn't/wouldn't work on Sundays and they couldn't do anything that required someone else to work on Sundays.

A collection of cartoons presents the antics of Calvin, a mischevious six-year-old boy, and his stuffed tiger Hobbes

Scott Weston's car is sensible, his suits are bland, and his job is stable but boring. Mundane routine helps keep his anxiety and obsessive tendencies under control. Socializing--especially dating--isn't on his list of strong skills either, and, made worse with the echoes of his disapproving mother. So he's content to stay at home with his lists and cleaning and wildlife documentaries, until a one-night stand goes unexpectedly right.

A collection of comic strips following the adventures of Calvin and his stuffed tiger Hobbes.

The Final Conclusion to Ren and Della's Story. "What do you do when you write down all your secrets? No...that's not enough. What do you do when you write down all your secrets and the one person who should never read them does? I'll tell you what you do. You hope." REN Ren didn't know the meaning of love until he took Della for his own. To begin with, he hated her, but as the months bled into years, he learned the opposite of hate, dedicating his life to giving her everything. Every sacrifice, every gift, he gave wholeheartedly. But then love turned to lust and ruined everything. DELLA I was stupid to write down my secrets, but I'd been stupid before, so it was nothing new. I couldn't blame him, hate him, fix him. I tried to move on without him. But no matter what I did, I couldn't seem to delete the secrets I'd written. Until something happened. Until he came back and read my stupid secrets. And nothing was the same after that.

A collection of cartoons presents the antics of Calvin, a mischevious six-year-old boy, and his stuffed tiger Hobbes

"Crazy Sunday" is a short story by F. Scott Fitzgerald originally published in the October 1932 issue of "American Mercury".

The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

The extraordinary #1 New York Times bestseller about the ability of books to feed

the soul even in the darkest of times. Nominated as one of America's best-loved novels by PBS's The Great American Read. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

Life is very sleepy for Mr. Lazy -- until Mr. Bustle and Mr. Busy try to wake him up

Gisele Aubin, a driven professional in her field was more often on airplanes than home. Always on the run, she left no time for a life. Her most faithful companion was her BlackBerry, and she had started thinking about dumping it. When the company she works for was sold, Gisele knew the time had come to make the changes she needed. At that point, jumping off the corporate ladder seemed to be her best way out. But when Gisele made her landing, she realized that her challenges were not those she had expected. She had no idea what to do next. In this memoir, author Gisele Aubin shares her experience of turning her career around in order to create a more fulfilling life. Building on the knowledge gained through her experiences, Gisele provides an insight into what to expect when creating the successful change needed in your life. And its not what you think. Her message is that change is incremental and manageable if you are willing to take it one day at a time, let go of who you think you ought to be, and become the person you truly are.
