Blue Surge is an effective,
affecting play. The
drama, especially of these
hurt and lonely souls,
Curt and Sandy, is solid.
Some elements -- the
class divide, especially,
between Beth and Curt --

are too simply put, but still fairly effective. Curt is a well-drawn character, and Sandy is particularly good (and with the most interesting arc).

and compelling, delving deeply into the small space that can divide a feeling of hope from one of hopelessness, as Curt and Sandy both try to get a foothold in the American dream of a house, a job, a life, a relationship with another human being. Gilman's previous play, *Boy Gets Girl*, was acclaimed by Time magazine as the

And with this intense drama of a woman's encounter with a stalker, she became one to hail . . . It's not just a gripping play but also an important one."

Marked by Gilman's

What is a stalker? And what kind of life can a woman lead when she knows she is being followed, obsessively and perhaps dangerously, by

one? This is the dilemma facing Theresa Bedell, a reporter in New York, in Rebecca Gilman's tensely fascinating new play.

When Theresa goes on an awkward blind date with a friend of a friend, she sees no reason to continue the relationship--but the man, an attractive fellow named Tony, thinks otherwise. While Theresa

is at first annoyed yet flattered by his continuing attention, her attitude gradually changes to one of fear and fury when he starts violently to menace her and those around her. In brilliantly delineating the kind of terror a woman in full control of her life feels when everything around her suddenly seems to be a threat,

Rebecca Gilman. In it, a Fourth of July backyard barbecue is the setting for a comic, thought-provoking, ultimately disquieting exploration of the question of whether to have children. Melinda and Jasper, the hosts, are deeply divided by the issue; Tom and Karen, their landlords, decided long ago to remain childless;

Set on a college campus
in Vermont, *Spinning
into Butter* is a new play
by a major young
American playwright that
explores the dangers of
both racism and political
correctness in America
today in a manner that is

at once profound,
disturbing, darkly comic,
and deeply cathartic.

Rebecca Gilman

challenges our
preconceptions about
race relations, writing of a
liberal dean of students
named Sarah Daniels
who investigates the
pinning of anonymous,
clearly racist letters on the
door of one of the
college's few African

The stunning discovery that there is a virulent racist on campus forces Sarah, along with other faculty members and students, to explore her feelings about racism, leading to surprising discoveries and painful insights that will rivet and provoke the reader as perhaps no play since David Mamet's *Oleanna* has done.
