right Dip. Every new project (or job, or hobby, or company) starts out fun...then gets really hard, and not much fun at all. You might be in a Dip—a temporary setback that will get better if you keep pushing. But maybe it's really a Cul-de-Sac—a total dead end. What really sets superstars apart is the ability to tell the two apart. Winners seek out the Dip. They realize that the bigger the barrier, the bigger the reward for getting past it. If you can beat the Dip to be the best, you'll earn profits, glory, and long-term security. Whether you're an intern or a CEO, this fun little book will help you figure out if you're in a Dip that's worthy of your time, effort, and talents. The old saying is wrong—winners do quit, and quitters do win.

This iconic bestseller from the bestselling author of *All Marketers Are Liars* proves that winners are just the best quitters and 'should be on every entrepreneur's book list' (Entrepreneur.com) Every new project (or career or relationship) starts out exciting and fun. Then it gets harder and less fun, until it hits a low point - really hard, really not fun. At this point you might be in a Dip, which will get better if you keep pushing, or a Cul-de-Sac, which will never get better no matter how hard you try. The hard part is knowing the difference and acting on it. According to marketing guru and best-selling author Seth Godin, what sets successful entrepreneurs (and pop stars and weight lifters and car salesmen) apart from everyone else is their ability to give up on Cul-de-Sacs while staying motivated in Dips. Winners quit fast, quit often and quit without guilt - until they commit to beating the right Dip for the right reasons. You'll never be number one at anything without picking your shots very carefully. The Dip is a short, entertaining book that helps you do just that. It will forever alter the way you think about success. 'Smart, honest, and refreshingly free of self-help posturing, this primer on winning-through-quitting is at once motivational and comically indifferent. . . Godin's truth-that "we fail when we get distracted by tasks we don't have the guts to quit"-makes excellent sense of an often-difficult career move' (Publishers

Describes how individuals can become successful leaders through passion and connection with an interested group, and provides real-life case studies that illustrate this method.

"A one-two punch! Half kick in the ass, half cheerleading encouragement." —Steven Pressfield, author of *The War of Art* If you are happy being just a dreamer, perhaps you don't need this book. If you're enjoying the status quo, don't even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has *Poke the Box* become a cult classic? Because it's a book that dares readers to do something they're afraid of. It could be what you need, too. "Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you?" —Peter Shermeta, reviewing the original edition of *Poke the Box*

From the bestselling author of *Linchpin*, *Tribes*, and *The Dip* comes an elegant little book that will inspire artists, writers, and entrepreneurs to stretch and commit to putting their best work out into the world. Creative work doesn't come with a guarantee. But there is a pattern to who succeeds and who doesn't. And engaging in the consistent practice of its pursuit is the best way forward. Based on the breakthrough *Akimbo* workshop pioneered by legendary author Seth Godin, *The Practice* will help you get unstuck and find the courage to make and share creative work. Godin insists that writer's block is a myth, that consistency is far more important than authenticity, and that experiencing the imposter syndrome is a sign that you're a well-adjusted human. Most of all, he shows you what it takes to turn your passion from a private distraction to a productive contribution, the one you've been seeking to share

all along. With this book as your guide, you'll learn to dance with your fear. To take the risks worth taking. And to embrace the empathy required to make work that contributes with authenticity and joy.

V is for Vulnerable by Seth Godin is a full-color ABC book for grown-ups, with a powerful message about doing great work. V is for Vulnerable looks and feels like a classic picture book. But it's not for kids, it's for hardworking adults. It highlights twenty-six of Seth Godin's principles about treating your work as a form of art, with illustrations by acclaimed cartoonist Hugh MacLeod. A sample: A is for Anxiety, which is experiencing failure in advance. Tell yourself enough vivid stories about the worst possible outcome and you'll soon come to believe them. Worry is not preparation, and anxiety doesn't make you better. F is for Feedback, which can be either a crutch or a weapon. Use it to make your work smaller, safer, and more likely to please everyone (and fail in the long run). Or use it as a lever to further push you to embrace what you fear and what you're capable of. This is unlike any previous Godin book and makes a great gift, both for loyal fans and those who've never read him before. Seth Godin is the author of thirteen international bestsellers that have changed the way people think about marketing, the ways ideas spread, leadership and change including Permission Marketing, Purple Cow, All Marketers are Liars, The Dip and Tribes. Small is the New Big is a huge bowl of inspiration that you can gobble in one sitting or dip into at any time. As Godin writes in his introduction: "I guarantee that you'll find some ideas that don't work for you. But I'm certain that you're smart enough to see the stuff you've always wanted to do, buried deep inside one of these riffs. And I'm betting that once inspired, you'll actually make something happen."

Heal from yesterday's pain and find hope for tomorrow with this inspirational guide -- and learn how God's faithfulness is working for your good, even when times are tough. If we are truly blessed to be a blessing, then we can take the lessons we learn in hardships and turn them around to help others navigate through their seasons of struggle. Hope and healing are the two words God has given us. Hope for tomorrow and healing from yesterday. Shaun Nepstad believes God wants to use our stories to bring hope and healing to others. When it comes to life, we've all asked, "Is there more?" We want to believe there's more to life than what we're currently experiencing. But the problem is, so much in life promises more but doesn't deliver. There's actually only One who can deliver the "more" we need, and that is Jesus. He delivers more than what we ask for or can even imagine. Consistently. Without fail. No matter what our situation looks like. Don't Quit in the Dip inspires us to keep fighting. To keep believing. And

to keep helping us experience God's full blessing.

How to find the soft innovation that will make your product, service, school, church, or career worth talking about. We live in an era of too much noise, too much clutter, too many choices, and too much spam. And as Seth Godin's 200,000-copy bestseller *Purple Cow* taught the business world, the old ways of marketing simply don't work anymore. The best way to sell anything these days is through word of mouth and the only real way to get word of mouth is to create something remarkable. *Free Prize Inside*, the sequel to *Purple Cow*, explains how to do just that. It's jammed with practical ideas you can use right now to make your product or service remarkable, so that it will virtually sell itself. Remember when cereal came with a free prize inside? Even if you already liked the cereal, it was the little plastic toy that made it irresistible. Godin explains how you can think of a bonus that will make your customers feel just as excited, no matter what business you're in. Consider these free prizes:

- The Tupperware party, which turned buying plastic bowls into a social event
- Flintstones vitamins, which turned a serious product into something fun
- The free change-counting machine at every Commerce Bank branch
- The little blue box from Tiffany, which makes people happy before they even open it

This book offers a way to create free prizes quickly, cheaply, and reliably and persuade others in your organization to help you bring them to life.
