Il sesto capitolo della saga di Warrior Cats è determinante per la trama dato che StelladiFuoco ottiene le sue 9 vite da leader, con un rituale toccante e ben descritto, pareva di essere li con il protagonista, circondati dalla magia del Clan della Stella!

StelladiFuoco ha finalmente portato la pace nella foresta tra i quattro Clan, ma una scoperta turberà la sua vita: il Clan della Stella ha taciuto la verità. In un tempo lontano, infatti, erano cinque: che fine ha fatto il Clan del Cielo? I gatti che popolano i suoi sogni, apparendogli anche da sveglia, gli indicano la missione a cui non può sottrarsi: ritrovare i discendenti del Clan perduto e riportarlo in vita. A ogni costo... Il romanzo che rivela l'errore fatale compiuto tanto tempo prima dai quattro Clan, ai danni di quello del Cielo. StelladiFuoco sarà chiamato a ritrovare il Clan perduto, abbandonando il proprio.

Before there is peace, blood will spill blood... New territory brings new troubles for the fierce cats of the warrior Clans, who are still uncovering the secrets of their new home around the lake. Dangers they have never faced before are lurking in the twilight shadows, and former allies are acting strangely hostile. As divisions between the Clans grow deeper, Firestar's daughters face troubling decisions. One is torn between loyalty to her calling and a forbidden love, while the other struggles with her best friend's betrayal and the surprising perils of the forest. The choices they make now could affect ThunderClan for generations to come . . . and with an unexpected enemy preparing to attack, their courage and strength will be needed more than ever if the Clan is to survive.

Erin Hunter’s #1 nationally bestselling Warriors series continues in Warriors: Power of Three! The first book in this third series, Warriors: Power of Three #1: The Sight, brings more adventure, intrigue, and thrilling battles to the epic world of the warrior Clans. Hollypaw, Jaypaw, and Lionpaw—grandchildren of the great leader Firestar—possess unusual power and talent. But secrets and uncertainty surround them, and a mysterious prophecy hints at trouble to come. The warrior code is in danger, and these three apprentices will need all of their strength to help the Clans survive.

Three young bears of different species--one black, one polar, and one grizzly--travel on a perilous quest to the Northern Lights, escorting a shape-shifting grizzly cub whose destiny will affect them all.

Even near death, his sensuality is amazing... She has only one chance to tame him. Leo arrives on Tisana’s doorstep a beaten slave from a near-extinct race with feline genes. As soon as Leo recovers his strength, he'll use his extraordinary sexual talents to bewitch Tisana and make a bolt for freedom. Tisana, whose healing powers are legendary, already knows Leo’s the one who can help her fulfill her destiny... she can't let him get away now. Forced together on a dangerous journey, Tisana must reveal all of her powers, and Leo must give all of himself to gain his freedom. There will be three, Kin of you kin.... Who hold the Power of the stars In their paws. A secret prophecy shapes the lives of Firestar’s grandchildren, but only one of the three knows about it. Jaypaw is captivated by the power it promises, and he believes the key to that power may lie buried in the distant past -- with the ancient cats who once walked these woods and now prowl through his dreams. His search for answers leads him toward the mountains -- the home of the Tribe of Rushing Water. Lionpaw and Hollypaw feel drawn to the mountains too, for different reasons. But the mountains hide secrets as well as answers, and if the three cats find a way to get there, they may discover more than they ever expected.

Heed the call of the wild...discover the fourth book in this action-packed, New York Times bestselling animal fantasy series from the author of Warriors! ? “Deep characters, a complex plot, rich mythology, and a stunning setting. Wild and wonderful.” —Kirkus on Bravelands #1: Broken Pride
Set in the African savannah and told from three different animals’ points of view, Bravelands will thrill readers who love Spirit Animals and Wings of Fire, as well as the fans who’ve made Erin Hunter a #1 nationally bestselling phenomenon. A false leader has been destroyed—but Bravelands is still in grave danger. Stinger’s death should have brought peace to the land; but no Great Parent has stepped forward, and now the fate of Bravelands hangs in the balance. With a mysterious threat lurking in their midst, all members of the Great Herd must find the strength to walk the right path or risk the end of Bravelands forever.

Did you ever look into the eyes of an animal and wonder if they could understand you? Have you ever fantasized about how great it would be for you to understand what they thought? In this fascinating book Gerald Bunch relates his journey from Naval Officer/engineer/left-brained empiricist to intuitive animal communicator. He explains that intuitive communication is a capability we are all born with and we can each re-learn. In sharing many of the conversations he has had with various species, he takes us into the world as experienced by animals. He describes how we can deepen the bond we have with our animal companions and how their love and devotion to us can change our lives. His study of quantum physics helped him bridge the gap between hard science and telepathy, but he stresses it is not necessary to know how animal communication works, only that it does work. All the time. Gerald and his buddy Oscar the Cat are on an odyssey. Their passion is to make the world a better place for all of its inhabitants.
