While Mommy and Daddy are busy at work, I'm busy having fun at day care. Day care is fun, even though saying good-bye to Mommy and Daddy before work might not be. In this reassuring guide for young children, noted author Joanna Cole shows that, although parents may go to work, they always come back at the end of the day. A helpful Note to Parents is included. Acclaimed for her Magic School Bus series, Joanna Cole is also the author of the popular I'm a Big Sister, I'm a Big Brother, My Big Boy Potty, and My Big Girl Potty, all illustrated by Maxie Chambliss.

The loss of a job can have a huge impact on the lives of a family. In this story, a five-year-old girl cannot understand why her parents are presently not the fun-loving parents they once were. Unaware of her father's recent loss of employment and due to the egocentric nature of a child her age, she wrongfully concludes that she must be the cause of her parents' unhappiness. In a poignant moment, her mother lovingly tries to explain the concept of an

economic recession using concrete examples that will hold meaning for her daughter. Like any child of her age, she is unable to grasp the depth of meaning behind her mother's words. All she gleans from their conversation is what matters most to her five-year-old self: she's not at fault, she is loved, and her family continues to be the happy and joyful family it always was.

Charlie's grandmother comes to stay with him while his parents go on a trip without him for the first time.

A mother, Mary, who didnt want her son, Joseph, to know he had a father, did everything she could to prevent anyone from talking about his father. She didnt even talk to Joseph about his father herself. But when the little boy started his preschool year, he soon found out that he must have a father because some of the other children had fathers who would bring them to the classroom and would pick them up in the afternoon. After few weeks of observation, while Joseph and his mother were walking to school, Joseph decided to ask his mother about his father. Mommy, wheres Daddy? he asked. Mary responded, You dont have a daddy. Why do the other kids have daddies? asked Joseph with an alarmed voice. I dont know, replied Mary. This answer hit Joseph so deeply that his behavior changed from good to bad to worse. His behavior changed positively when his mother had another baby, a boy named Sam, and the babys father, Julian, became Josephs surrogate daddy. For many years things were going well for Joseph and his familywhen on a winter Saturday morning, a fight broke out between Mary and Julian. The argument lasted for hours, and finally Julian took his luggage and left. The destruction of his family was another blow for Josephhe was devastated. Joseph and Sam

Joseph and Sam ended up in juvenile correction and their mother had to bail them out. After their release, they went back to school. Joseph became a lawyer, serving kids at risk, and Sam became the owner of a construction company.
