A NOTE FROM THE AUTHOR: Several years ago, I experienced "crippling" retroactive jealousy. It disrupted my career, destroyed my relationship, and provoked months of anguish and depression. But thankfully, through a process of self-exploration, hard work, growth, and discovery, I overcame it. Based on my experience, and several years of research and talking to fellow sufferers about their condition, I wrote this book to give you a step-by-step program to help you do the same, and overcome retroactive jealousy as quickly and easily as possible. I know that this step-by-step program is effective because since 2013 my book has helped "thousands" of readers get over retroactive jealousy, save their relationships, and regain control. In retrospect, my jealousy was a blessing in disguise. As I write to you today, I am undoubtedly a stronger, more confident, more loving, and overall better man for having gone through it. It might not seem like it now, but you too can use your jealousy to your advantage. Seriously--as you overcome retroactive jealousy, you will emerge a stronger, more confident, more attractive, and more loving person and partner. And it's my pleasure to guide you every step of the way. So whether you're struggling with your girlfriend's past, wife's past, husband's past, or your boyfriend's past, you need to know that you have the power to move forward, and kiss jealous thoughts goodbye. You can get a hold on your brain, and patterns of constant curiosity and obsessive thinking. You can move forward in your relationship without the burden and strain of retroactive jealousy.
