Conquering the Seven Faces of Risk: Automated Momentum Strategies that Avoid Bear Markets Empower Fearless Retirement Planning by Scott Juds is a powerful book for both investors and business owners, a book that brilliantly handles one of the topics that could determine the success or failure of any investment: risk.

### Conquering the Seven Faces of Risk

This book starts by identifying "the seven faces of risk" and particularly noting that the well-reported retirement savings shortfall is the biggest of them and cannot be addressed by classic diversification - it's an investment return problem. The book then segues into the troubling analysis and revelation that our financial regulatory agencies, FINRA and the SEC, provide neither a ...
